

HARRISON ASSESSMENT HA

About the Harrison Assessment

Harrison Assessments is a global force in predictive talent analytics for HR. Our unique questionnaire design measures 175 workplace factors against job-specific performance requirements in only 20 minutes.

The benchmark for coaches who are interested in data-driven insights and targeted development in the workplace.

Become certified to use the Harrison Assessment in your coaching practice or organization.

\$2597

40 hours of training focused on debriefing the Harrison Assessment.

Includes all costs and materials.

Taking the Harrison may incur an additional cost.
